Partner Search: INTERREG IVC 2nd Call

Title of proposed project	European Network for Audiovisual Industry Acronym: EU-Net Media
Deadlines:	30th January 2009
Description of project idea incl. theme and activities	The project will focus the entrepreneurship and SMEs competitiveness within media sector across regions with a consolidated audiovisual industry. The project aims to improve the surveillance and know-how of the local and regional companies in audiovisual sector. The EU Net-Media project will see the launch of a network of cross-border competencies in the audiovisual sector, raise the profile of the participating countries in Europe, and favour technological exchanges and technology transfer both between participating countries and with the rest of European countries.
Partner consortium (so far)	Lead partner: Fundación Centro de Estudios Ciudad de la Luz, Comunidad Valenciana (Spain); Fundación Comunidad Valenciana-Región Europea, Comunidad Valenciana (Spain); Észak-Alföldi (Hungary); France; German; Bulgaria; Belgium; Italy; United Kingdom; Poland; Norway; Sweden; Denmark; The Netherlands, etc.
Further partners being sought	Regional development agencies, public authorities and public bodies with a solid and relevant participation in regional policies interested in dynamizing audiovisual business clusters and networks.
What are the financial conditions of participation?	Total budget: Aprox. EUR 2 million
Foreseen project duration	36 months
